curiosity

The sanctuary of the Holy Virgin
The very simple inside keeps a statue in white marble attributed to the school of Leonardo Da Vinci and many ex-voto given after the IInd World War by the soldiers who survived.

curiosity

Search the gnome in the Garden Valley
Not only flowers and beautiful view: the garden vally has other big surprises ... but only in the eyes of its more alert visitors.

curiosity

The fall of Greggio
Close to town flows the river Greggio, that before reaching the Lake, offers this captivating view that deserves a photograph.

What you can't miss in your holiday in Cernobbio

- The classic, like Ludwig, and the modern movie (Star Wars, Ocean's Twelve, 007 Casinò Royal): the cinema is at home in Cernobbio. In Villa Erba there's the Luchino Visconti's museum, dedicated to one of the greatest Italian directors.
- Chapels and oratories are scattered throughout the city, also in smaller locality such as Casnedo, Toldino and Asnigo. A pleasant discovery of evidences of popular devotion, art by preserve for future generations.
- The beautiful scenery of the lake to be admired in a boat cruise. And starting from the 19th century Pier in Cernobbio is an even bigger thrill

And don't forget to...
