**What you can't miss in your holiday in Cernobbio**

**And don't forget to...**

- A walk on the shore of Cernobbio. And don't forget to drink a taste in this fantastic landscape.
- Rationalism is an important movement in the history of art in Como and its territory in the 20th century. In Cernobbio there is one of his most testimonials: villa Cattaneo.
- No more traffic ... it's time for the bike to get to Como and discover the beautiful places on the shores of lake.

**curiosity**

**Fontana of Rovenna**  
Guided by curiosity of the typical sights of Rovenna, between medieval streets and angles, you will arrive in piazza of the fountain.

**curiosity**

The border of the three ancient municipalities  
This wall was a silent testimony of a past in which Rovenna, Piazza S. Stefano and Cernobbio were really divided.

**curiosity**

The three founders of piazza Santo Stefano  
In the 16th century born the modern place of Piazza Santo Stefano. A plaque on the fountain, although ruined by time, remember the three promoters.
